Subject: Low/Moderate Income Housing Fund (LMIHF) Due Diligence Review

The Issue

Shall the Oversight Committee hold a Public Hearing to allow comment on the LMIHF Due Diligence Review Report issued on September 20, 2012?

Action Requested

It is recommended that the Oversight Committee hold a Public Hearing to allow comment on the LMIHF Due Diligence Review Report issued on September 20, 2012.

Background

Health and Safety Code Section 34179.5(a) requires Successor Agencies to employ a licensed accountant, approved by the County Auditor-Controller, to conduct due diligence reviews to determine the Successor Agency's unobligated balances available for transfer to the County and distribution to the affected taxing agencies. The Successor Agency contracted with Smith & Newell, CPA's to perform the Due Diligence Review.

Pursuant to Health and Safety Code (HSC) Section 34179.6(a), the Due Diligence Review of the Low and Moderate Income Housing Fund (LMIHF) must be submitted to the Oversight Board, the County Auditor-Controller, the State Controller's Office, and the State Department of Finance by October 1, 2012. This process was completed on September 27, 2012. The Oversight Board is required to convene a public comment session to take place at least five (5) days before the Board holds the approval vote specified in HSC Section 34179.6(c). The Board shall also consider any opinions offered by the County Auditor-Controller on the results of the review submitted by the Successor Agency. The Oversight Board must the review, approve and transmit to all aforementioned agencies the determination of the amount of cash and cash equivalents that are available for disbursement to taxing agencies, no later than October 15, 2012.

The LMIHF Due Diligence Review is attached to this report. In order to prepare the report, Smith & Newell CPA's staff reviewed the transfer of assets from the former Auburn Urban Development Authority's LMIHF to the Successor Agency on February 1, 2012, all transfers from the LMIHF to the City and all public and private parties between January 1, 2011 and June 30, 2012, all documentation regarding legally restricted, non-liquid, and otherwise encumbered or obligated balances, and any balances that the Successor Agency believes it needs to retain for enforceable obligations on the ROPS for the 2012-13 fiscal year. The final page of the report, Attachment E (page 12), provides the calculation to determine the balance available (\$909,617) for allocation to affected taxing agencies.

Subsequent to the initial public hearing required herein, the Oversight Board will be required to formally approve the Due Diligence Review no earlier than October 15, 2012. As such, an additional meeting of the Oversight Board will be scheduled for mid-October to facilitate the approval process.

The State Department of Finance has until November 9, 2012 to complete its review of the LMIHF Due Diligence Review and provide a determination on the amount due to the County.

INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

To the Honorable Mayor and
Members of the City Council
City of Auburn
Auburn, California

We have performed the agreed-upon procedures enumerated in Attachment A, which were agreed to by the California State Controller's Office, California State Department of Finance, and City of Auburn, California (City), solely to assist you in ensuring that the dissolved Redevelopment Agency (RDA) of the City is complying with its statutory requirements with respect to Assembly Bill ABX1 26. Management of the City is responsible for the accounting records pertaining to statutory compliance pursuant to Health and Safety Code Sections 34179.5(c)(1) through 34179.5(c)(3) and Sections 34179.5(c)(5) through 34179.5(c)(6). This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The scope of this engagement was limited to performing the select agreed-upon procedures as set forth in Attachment A. Attachment A also identifies the findings noted as a result of the procedures performed.

We were not engaged to and did not conduct an audit, the objective of which would be the expression of an opinion as to the appropriateness of the results or other financial information summarized in Attachment A. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the City of Auburn, Placer County Auditor Controller, the successor agency, and applicable State agencies, and is not intended to be, and should not be used by anyone other than these specified parties. This restriction is not intended to limit distribution of this report, which is a matter of public record.

Procedure(s) Performed - 34179.5(c)(1):

1. Obtain from the Successor Agency a listing of all assets that were transferred from the former redevelopment agency to the Successor Agency on February 1, 2012. Agree the amounts on this listing to account balances established in the accounting records of the Successor Agency. Identify in the Agreed-Up-On Procedures (AUP) report the amount of the assets transferred to the Successor Agency as of that date.

Finding:

Refer to Attachment B for a list of assets that were transferred to the Successor Agency on February 1, 2012.

 - A. Obtain a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the former redevelopment agency to the city, county, or city and county that formed the redevelopment agency for the period from January 1, 2011 through January 31, 2012. For each transfer, the Successor Agency should describe the purpose of the transfer and describe in what sense the transfer was required by one of the Agency's enforceable obligations or other legal requirements. Provide this listing as an attachment to the AUP report.
 - B. Obtain a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the Successor Agency to the city, county, or city and county that formed the redevelopment agency for the period from February 1, 2012 through June 30, 2012. For each transfer, the Successor Agency should describe the purpose of the transfer and describe in what sense the transfer was required by one of the Agency's enforceable obligations or other legal requirements. Provide this listing as an attachment to the AUP report.
 - C. For each transfer, obtain the legal document that formed the basis for the enforceable obligation that required any transfer. Note in the AUP report the absence of any such legal document or the absence of language in the document that required the transfer.

Finding:

We reviewed the detail general ledger prepared by the City and noted no transfers to the City, County, or City and County for the periods January 1, 2011 through January 31, 2012 and February 1, 2012 through June 30, 2012.

CITY OF AUBURN

 - A. Obtain a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the former redevelopment agency to any other public agency or to private parties for the period from January 1, 2011 through January 31, 2012. For each transfer, the Successor Agency should describe the purpose of the transfer and describe in what sense the transfer was required by one of the Agency's enforceable obligations or other legal requirements. Provide this listing as an attachment to the AUP report.
 - C. For each transfer, obtain the legal document that formed the basis for the enforceable obligation that required any transfer. Note in the AUP report the absence of any such legal document or the absence of language in the document that required the transfer.

Finding:

We reviewed the detail general ledger prepared by the City and noted no transfer to any other public agency or private parties for the periods January 1, 2011 through January 31, 2012 and February 1, 2012 through June 30, 2012.

Procedure(s) Performed - 34179.5(c)(5):

5. Obtain from the Successor Agency a listing of all assets of the Low and Moderate Income Housing Fund as of June 30, 2012 for the report that is due October 1, 2012 and a listing of all assets of all other funds of the Successor Agency as of June 30, 2012 (excluding the previously reported assets of the Low and Moderate Income Housing Fund) for the report that is due December 15, 2012. When this procedure is applied to the Low and Moderate Income Housing Fund, the schedule attached as an exhibit will include only those assets of the Low and Moderate Income Housing Fund that were held by the Successor Agency as of June 30, 2012 and will exclude all assets held by the entity that assumed the housing function previously performed by the former redevelopment agency. Agree the assets so listed to recorded balances reflected in the accounting records of the Successor Agency. The listings should be attached as an exhibit to the appropriate AUP report.

Finding:

Refer to Attachment C for a copy of the list of assets of the Low and Moderate Income Housing Fund as of June 30, 2012.

CITY OF AUBURN
Attachment A - Agreed Upon Procedures and Findings

Procedure(s) Performed - 34179.5(c)(5)(B):

6. Obtain from the Successor Agency a listing of asset balances held on June 30, 2012 that are restricted for the following purposes:
 - A. Unspent bond proceeds:
 - i. Obtain the Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures, amounts set aside for debt service payments, etc.).
 - ii. Trace individual components of this computation to related account balances in the accounting records, or to other supporting documentation (specify in the AUP report a description of such documentation).
 - iii. Obtain from the Successor Agency a copy of the legal document that sets forth the restriction pertaining to these balances. Note in the AUP report the absence of language restricting the use of the balances that were identified by the Successor Agency as restricted.
 - B. Grant proceeds and program income that are restricted by third parties:
 - i. Obtain the Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures).
 - ii. Trace individual components of this computation to related account balances in the accounting records, or to other supporting documentation (specify in the AUP report a description of such documentation).
 - iii. Obtain from the Successor Agency a copy of the grant agreement that sets forth the restriction pertaining to these balances. Note in the AUP report the absence of language restricting the use of the balances that were identified by the Successor Agency as restricted.
 - C. Other assets considered to be legally restricted:
 - i. Obtain the Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures).
 - ii. Trace individual components of this computation to related account balances in the accounting records, or to other supporting documentation (specify in the AUP report a description of such documentation).
 - iii. Obtain from the Successor Agency a copy of the legal document that sets forth the restriction pertaining to these balances. Note in the AUP report the absence of language restricting the use of the balances that were identified by the Successor Agency as restricted.
 - D. Attach the above mentioned Successor Agency prepared schedule(s) as an exhibit to the AUP report. For each restriction identified on these schedules, indicate in the report the period of time for which the restrictions are in effect. If the restrictions are in effect until the related assets are expended for their intended purpose, this should be indicated in the report.

CITY OF AUBURN
Attachment A - Agreed Upon Procedures and Findings

Finding:

No asset balances are held at June 30, 2012 for unspent bond proceeds, grant proceeds and program income that are restricted by third parties or other legal restrictions.

Procedure(s) Performed - 34179.5(c)(5)(C):

7. Perform the following procedures:

- A. Obtain from the Successor Agency a listing of assets as of June 30, 2012 that are not liquid or otherwise available for distribution (such as capital assets, land held for resale, long-term receivables, etc.) and ascertain if the values are listed at either purchase cost (based on book value reflected in the accounting records of the Successor Agency) or market value as recently estimated by the Successor Agency.
- B. If the assets listed at 7(A) are listed at purchase cost, trace the amounts to a previously audited financial statement (or to the accounting records of the Successor Agency) and note any differences.
- C. For any differences noted in 7(B), inspect evidence of disposal of the asset and ascertain that the proceeds were deposited into the Successor Agency trust fund. If the differences are due to additions (this generally is not expected to occur), inspect the supporting documentation and note the circumstances.
- D. If the assets listed at 7(A) are listed at recently estimated market value, inspect the evidence (if any) supporting the value and note the methodology used. If no evidence is available to support the value and/or methodology, note the lack of evidence.

Finding:

The Agency had no land held for resale or long-term receivables at June 30, 2012. The Agency had capital assets that consisted of undeveloped land that was reflected at purchase cost of \$350,000. We traced the amounts to the June 30, 2011 audit and noted no differences. Refer to Attachment D for a list of capital assets at June 30, 2012.

Procedure(s) Performed - 34179.5(c)(5)(D):

8. Perform the following procedures:

- A. If the Successor Agency believes that asset balances need to be retained to satisfy enforceable obligations, obtain from the Successor Agency an itemized schedule of asset balances (resources) as of June 30, 2012 that are dedicated or restricted for the funding of enforceable obligations and perform the following procedures. The schedule should identify the amount dedicated or restricted, the nature of the dedication or restriction, the specific enforceable obligation to which the dedication or restriction relates, and the language in the legal document that is associated with the enforceable obligation that specifies the dedication of existing asset balances toward payment of that obligation.
 - i. Compare all information on the schedule to the legal documents that form the basis for the dedication or restriction of the resource balance in question.

CITY OF AUBURN
Attachment A - Agreed Upon Procedures and Findings

- ii. Compare all current balances to the amounts reported in the accounting records of the Successor Agency or to an alternative computation.
 - iii. Compare the specified enforceable obligations to those that were included in the final Recognized Obligation Payment Schedule approved by the California Department of Finance.
 - iv. Attach as an exhibit to the report the listing obtained from the Successor Agency. Identify in the report any listed balances for which the Successor Agency was unable to provide appropriate restricting language in the legal document associated with the enforceable obligation.
- B. If the Successor Agency believes that future revenues together with balances dedicated or restricted to an enforceable obligation are insufficient to fund future obligation payments and thus retention of current balances is required, obtain from the Successor Agency a schedule of approved enforceable obligations that includes a projection of the annual spending requirements to satisfy each obligation and a projection of the annual revenues available to fund those requirements and perform the following procedures:
- i. Compare the enforceable obligations to those that were approved by the California Department of Finance. Procedures to accomplish this may include reviewing the letter from the California Department of Finance approving the Recognized Enforceable Obligation Payment Schedules for the six month period from January 1, 2012 through June 30, 2012 and for the six month period July 1, 2012 through December 31, 2012.
 - ii. Compare the forecasted annual spending requirements to the legal document supporting each enforceable obligation.
 - a. Obtain from the Successor Agency its assumptions relating to the forecasted annual spending requirements and disclose in the report major assumptions associated with the projections.
 - iii. For the forecasted annual revenues:
 - a. Obtain from the Successor Agency its assumptions for the forecasted annual revenues and disclose in the report major assumptions associated with the projections.
- C. If the Successor Agency believes that projected property tax revenues and other general purpose revenues to be received by the Successor Agency are insufficient to pay bond debt service payments (considering both the timing and amount of the related cash flows), obtain from the Successor Agency a schedule demonstrating this insufficiency and apply the following procedures to the information reflected in that schedule.
- i. Compare the timing and amounts of bond debt service payments to the related bond debt service schedules in the bond agreement.
 - ii. Obtain the assumptions for the forecasted property tax revenues and disclose major assumptions associated with the projections.
 - iii. Obtain the assumptions for the forecasted other general purpose revenues and disclose major assumptions associated with the projections.

CITY OF AUBURN
Attachment A - Agreed Upon Procedures and Findings

- D. If procedures A, B, or C were performed, calculate the amount of current unrestricted balances necessary for retention in order to meet the enforceable obligations by performing the following procedures.
- i. Combine the amount of identified current dedicated or restricted balances and the amount of forecasted annual revenues to arrive at the amount of total resources available to fund enforceable obligations.
 - ii. Reduce the amount of total resources available by the amount forecasted for the annual spending requirements. A negative result indicates the amount of current unrestricted balances that needs to be retained.
 - iii. Include the calculation in the AUP report.

Finding:

The Agency does not believe that asset balances need to be retained to satisfy enforceable obligations, that future revenues are insufficient to fund future obligation payments, or that projected property tax revenues and other general purpose revenues to be received by the Successor Agency are insufficient to pay bond debt service payments.

Procedure(s) Performed - 34179.5(c)(5)(E):

9. If the Successor Agency believes that cash balances as of June 30, 2012 need to be retained to satisfy obligations on the Recognized Obligation Payment Schedule (ROPS) for the period of July 1, 2012 through June 30, 2013, obtain a copy of the final ROPS for the period of July 1, 2012 through December 31, 2012 and a copy of the final ROPS for the period January 1, 2013 through June 30, 2013. For each obligation listed on the ROPS, the Successor Agency should add columns identifying (1) any dollar amounts of existing cash that are needed to satisfy that obligation and (2) the Successor Agency's explanation as to why the Successor Agency believes that such balances are needed to satisfy the obligation. Include this schedule as an attachment to the AUP report.

Finding:

The Agency does not believe that cash balances as of June 30, 2012 need to be retained to satisfy obligations on the Recognized Obligation Payment Schedule (ROPS) for the period July 1, 2012 through June 30, 2013.

CITY OF AUBURN
Attachment A - Agreed Upon Procedures and Findings

Procedure(s) Performed - 34179.5(c)(6):

10. Include (or present) a schedule detailing the computation of the Balance Available for Allocation to Affected Taxing Entities. Amounts included in the calculation should agree to the results of the procedures performed in each section above. The schedule should also include a deduction to recognize amounts already paid to the County Auditor-Controller on July 12, 2012 as directed by the California Department of Finance. The amount of this deduction presented should be agreed to evidence of payment. The attached example summary schedule may be considered for this purpose. Separate schedules should be completed for the Low and Moderate Income Housing Fund and for all other funds combined (excluding the Low and Moderate Income Housing Fund).

Finding:

Refer to Attachment E for computation of the Summary of Balances Available for Allocation to Affected Taxing Entities.
